Kasteel Barista Chocolate Quad stands alone as one of the most decadent and elegant quadruples of Belgium. This 11% ABV beer pours a chestnut brown with an off-white head.

A warming aroma of chocolate and coffee are countered by nuanced flavors of toffee and dried fruits. The mouthfeel is rich and silky like melted chocolate which truly rounds out the entire drinking experience.

Considering the ABV and predominant flavors of chocolate and coffee this quadruple is unique, yet remarkably well balanced.
