

# THINK BIG, DRINK BIG

Foeder Aged Petrus  
Sour Quad 10.5 % ABV

From the innovators at Brouwerij De Brabandere something totally new: a Sour Quad. Petrus Sour Quad is a limited edition blend of quadruple and 30% Petrus Aged Pale. The quadruple is complex, dark and malty, made from 5 different malts. Adding Petrus Aged Pale, foeder beer, to the full bodied strong quadruple creates a refreshing and complex taste.

Rum Barrel Aged  
Piraat 10.5 % ABV

Piraat Ale seemed destined to be aged in Rum barrels. The Belgian classic and perennial gold medal winner is aged in barrels for the first time since it's inception. By aging it in rum barrels the beer picks up vanilla accents, which further rounds out the beer without overpowering the spicy quality which has made Piraat famous.

Burgundy Barrel Aged  
Scotch Silly 9.5 % ABV

Aged in Burgundy Barrels from the Nuits Saint George region of France. This deep dark colored scotch ale is a perfect blend of caramelized malt and candied sugar from the mother beer with the flavor coming from the Burgundy barrel to produce a brew that explodes with flavor.
