

Introducing Petrus 1894

Petrus 1894 is brewed with 30% Barrel Aged Petrus Aged Pale and with hops from the 3 great hops growing beer cultures in Europe. Golding from the UK, Saaz from Czech and Tettnang Tettnanger from Germany.

The hops are pitched 4 times and the beer is then dry hopped. The flavor is dry and fresh, much like Champagne or Sparkling wine. It is 8% ABV and is re-fermented in the bottle with the Br. De Brabandere proprietary yeast.

DENSITY
8.0% ABV
