6 BELGIAN SPECIALTY ALES

OLD BRUIN - Created by a secret blend of the aged and sour “mother beer” with fresh brewed sweeter beer, this beer produces a sour-sweet balance, set off by the underlying bitterness of the hops. ABV. 5.5%

GOUDEN TRIPEL - Pale in color, as a true triple is supposed to be, this mild and easy going beer offers a flowery hoppy taste with a soft alcohol punch. ABV. 7.5%

DUBBEL BRUIN - A top-fermented dark beer. Brewed with pure spring water and carefully selected hops and malts. This dark beer has a subtle and slightly caramelized flavor. ABV. 6.5%

SPECIALE - This beer’s characteristic aroma is a result of the specially selected malt and hop varieties. Petrus Special is brewed according to an age-old recipe. ABV. 5.5%

BLOND ALE - Smooth, starts off sweet and finishes with a nice tart sourness. Rich in the aroma of yeast, malt and hops. Full of barley malt flavors and a hoppy finish. ABV. 6.6%

AGED RED - Made from a base of Dubbel Bruin and 15% Petrus Aged Pale to give it a sour essence. Fresh cherries are added to complete the sweet and sour taste. Aged Red takes three years to make. ABV. 8.5%
