Piraat

1 OF THE TOP 5 BEERS IN THE WORLD!
- "PETITE FUTE"

Piraat is a strong, golden ale, steeped in the Belgian tradition of taking complex flavors and making them exceedingly drinkable. Secondary fermentation allows the beer to grow and develop even after it's in the bottle or keg. A soft, orange hue gives way to a creamy, rich head, revealing the aromas of bready malts and dried fruit. The first sip brings with it a mild sweetness, balanced with delicate spices and a smooth, rounded finish.

At 10.5% ABV, Piraat is meant to be enjoyed slowly. The malty notes open up as the beer warms in your hands, and the last sip leaves a hint of richness on the tongue. Piraat can age and develop in the bottle for several years ... but why wait?

Suggested Food Pairing:
Grilled Steak/Vegetables and Spicy Dishes.

Suggested Cheese Pairing: New York Cheddar, Muenster, Camembert.
