# Wittekerke

Wit-style: A true wit beer must be made of at least 25% wheat malt in combination with barley malt. Belgian wit beers are naturally cloudy since they are unfiltered.

Wittekerke charms you with its own character, smooth taste and a unique delicious aroma. A very pleasant drink, light in alcohol with a crisp and refreshing flavor. Wittekerke is always served cold, but in taking your time to enjoy it, you will find more flowery and spring flavors towards the end of your glass. Although the hoppy bitterness is an underlying taste, it is never dominant. Perfect white head.

Wittekerke is a fictitious name for a typical Flemish town, like hundreds of villages in Flanders with a name ending on Kerke (church) or Kapelle (chapel). Witte means white in English, thus the translation of the name is *White Chrurch*. The Bavik brewery has since a long time brewed its own authentic wit beer under the "Bavik Wit" label, but the brewery chose to change the name in cooperation with the producers of the Belgian sit-com "Wittekerke." The actors drink Wittekerke during the show.

Wittekerke is now the best selling wit beer in Belgium off-premise, and was voted several years in a row the best Belgian wit beer by Belgian beer connoisseurs.

---

A VERY POPULAR SOAP ON BELGIAN TV HAS ADOPTED THE SAME NAME. THE ACTORS DRINK WITTEKERKE ON SCREEN, WHICH HELPS TO PROMOTE THE WITTEKERKE BEER.

**FOOD COMBINATIONS:**

Combine it with a spicy carpachio, with scallops, or with a fresh salad.

*Cheers!*

# Wittekerke Framboise

WITTEKERKE FRAMBOIS uses Wittekerke Wit as its base and the brewer adds fresh raspberries and all natural sweeteners to the liquid to produce this refreshing brew. The beer has a nice pink tint and is perfect for a hot summer day.

The alcohol content of an ice-cold FRAMBOIS is only 4.3 percent by volume, which allows for a long night of joy, action and fun. The price is remarkable attractive and shouldn't withhold anybody for loading up on this tasty beauty. Bars, disco's and restaurants have plenty of leeway to make a great margin. FRAMBOIS is being sold in 11.2 oz 6 pack bottles.

Young folks growing out of their sweet soda habits, venturing into the 'adult beverages', are very pleasantly surprised by the full round taste of the FRAMBOIS, and consider it their beer of choice. FRAMBOIS will become an instant hit in the clubs, and at inside or outside parties. Wherever young people have fun and mingle.
